Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Attached please find a copy of a Transmittal Letter and a Revised Amendment, together with a copy of the facsimile cover sheet, a Transmission Report in regard to the subject patent application.

These documents were originally faxed on May 10, 2004 to the number on the transmission report as instructed by the receptionist for Technology Center 3600. No return confirmation was received from the USPTO.

In a recent telephone conversation with Examiner Kimberly T. Wood, she stated that she never received the above-noted documents (they never reached the file) and we were instructed to re-fax them

to a central fax number. Accordingly, the original documents are being re-faxed, together with this letter.

If required, my secretary, Barbara L. Davis, is prepared to submit a Declaration confirming the above facts of timely transmission of the documents to the USPTO per instructions.

Respectfully submitted,
